

**TERMS OF SERVICE
INTEGRITY BUSINESS PARTNERS SUB-MERCHANT AGREEMENT**

These terms of service (the “**General Terms**”), to include all appendices attached hereto, including the Integrity Business Partners Application Form (“**Application**”), Merchant Services Agreement for Sub-Merchants (collectively, the “**Agreement**”) govern the Sub-Merchant’s participation in the Services. The Sub-Merchant agrees to be bound by the terms and conditions of the Agreement, as evidenced either by the signature of an authorized representative of the Sub-Merchant on the Integrity Business Partners’ Application or by the transmission of a Transaction receipt or other evidence of a Transaction. The parties to this Agreement shall be the Sub-Merchant as named in the Application that applies to participate in Transactions using Integrity Business Partners’ processing products (“**Sub-Merchant**,” “**Merchant**,” or “**you**”) and Integrity Business Partners, LLC with its principal place of business at 2355 Gold Meadow Way, Suite 215, Gold River, California 95670 (“**Integrity Business Partners**,” “**we**,” or “**us**”) each of which may be referred to individually as a “**Party**” or collectively as “**Parties**.” The effective date of this Agreement shall be the date Integrity Business Partners approves Sub-Merchant for participation in the Processing Services (“**Effective Date**”).

WHEREAS, Sub-Merchant and Integrity Business Partners are entering into the Agreement to set forth, among other things, terms and conditions under which Integrity Business Partners will provide to Sub-Merchant services that facilitate Sub-Merchant’s acceptance of card payments, e-check, and/or ACH payments for goods and services provided, and Integrity Business Partners Systems as an agent for Sub-Merchant, may accept settlement payments from the Acquirer on behalf of Sub-Merchant;

WHEREAS, Integrity Business Partners is party to an agreement with an Acquirer and a Bank under which Acquirer and Bank provide payment processing and Association sponsorship services to Integrity Business Partners on behalf of Sub-Merchant and other sub-merchants of Integrity Business Partners; and

WHEREAS, as a condition of providing services to Integrity Business Partners on behalf of Sub-Merchant, Acquirer, and Bank require that Integrity Business Partners include certain terms and conditions in the Agreement relating to the payment processing services being provided to Sub-Merchant.

THEREFORE, Integrity Business Partners and Sub-Merchant hereby agree to the terms and conditions set forth herein.

On and subject to the terms and conditions hereof, Integrity Business Partners is: (i) acting in the capacity of a “**Payment Service Provider**” (under the Visa Rules) and a “**Payment Facilitator**” (under the MasterCard Rules) and will provide you card processing services as described herein; and (ii) will provide you with additional services as agreed by the Parties. Integrity Business Partners provides processing services with respect to credit card transactions including Visa U.S.A., Inc. (“**Visa**”), MasterCard Worldwide (“**MasterCard**”), DFS Services LLC (“**Discover Network**”), American Express, PayPal, JCB, Discover, Diners Club (“**Associations**”), as well as e-check and ACH transactions. We are intending for you to be able to accept transactions for all of these Associations and all the other Services designated in this Agreement or any attachment to this Agreement, unless you notify us that you do not elect to accept all the card types and Services we offer and name those you do not elect to offer. You may change your election of card types and Services from time to time upon at least sixty (60) days’ advance notice to us; we will use reasonable efforts to accommodate your requests in less time but we will not be obligated to do so. Upon our approval of a new card type or Service, the Parties will enter into an amendment or supplement to this Agreement. You will not seek authorization for or submit a transaction of a new card type until the Parties have executed such amendment or supplement. Unless otherwise directed by us, you will not seek authorization for or submit a transaction of a card type you desire to discontinue accepting later than the effective date of your notice to us. With respect to inadvertent or intentional acceptance of a transaction other than the type or service anticipated for your account (including, without limitation, a different card type), you will also be subject to payment to us of our then-current fee(s) with respect to such card, transaction or service and be liable, obligated and responsible under this Agreement for any such transaction or service to the same extent as you would be if it was of an anticipated card type or service.

You will honor a card by accepting it for payment. You will not engage in any acceptance practice or procedure that discriminates against, or discourages the use of, any particular card type elected by you and approved by us, in favor of any competing card brand also elected and approved. You understand and agree that you are expressly prohibited from presenting sales transactions for any purposes related to any illegal or prohibited activity, including but not limited to money-laundering or financing of terrorist activities. For all Cards issued by U.S. Issuers, you will honor all cards within the card types elected and approved in accordance with this Agreement. For example, if you elect and are approved to accept Visa credit cards, you will submit payments from Visa-branded credit card Cardholders without regard to whether the credit card is a Visa-branded rewards credit card or Visa-branded business purpose credit card. You acknowledge that no party will acquire any right, title, or interest in or to the marks of any Associations. You will not assign to any third party any of the rights to use the marks of any Associations, and the Associations may use information obtained in the Application to monitor you in connection with Card marketing and administrative purposes.

-
1. **DEFINITIONS.** For the purposes of the General Terms, the definitions contained in Appendix I apply to capitalized words contained within the Agreement unless the context otherwise requires or unless the term is assigned an alternative definition within the General Terms.
 2. **SERVICES AND PRIORITY.** Subject to the terms and conditions of the Agreement, the Parties will provide those Services for which they are respectively responsible as set forth in the Agreement. In the event that terms and conditions described within the appendices differ from those indicated within the General Terms, the terms and conditions contained within the Appendices shall prevail over any conflicting terms and conditions in the General Terms.
 3. **SUB-MERCHANT OBLIGATIONS AND REQUIREMENTS.**

- A. **Association Operating Rules and Compliance.** Sub-Merchant acknowledges that Acquirer and Bank must maintain closer controls over high-volume sub-merchants of Integrity Business Partners and, therefore, Sub-Merchant must immediately notify us if it has, or in Sub-Merchant’s reasonable opinion will, have greater than \$1,000,000 in annual card sales volume processed hereunder (based upon the date Sub-Merchant’s account is boarded) for any one Association. Further, Sub-Merchant must also immediately notify us if it has, or in Sub-Merchant’s reasonable opinion will, have greater than \$2,000,000 in annual Card sales volume processed hereunder.

You shall comply with the Associations’ operating rules (“**Operating Rules**”), including the Operating Rules applicable to the Visa PSP and MasterCard Payment Facilitator programs and all applicable local, state, and federal laws, rules, and regulations (“**Applicable Laws**”). The Operating Rules are available on websites, such as <http://www.usa.visa.com/merchants> and <http://www.mastercardmerchant.com>, as updated from time to time. Further, Sub-Merchant acknowledges receipt and review of the Bank Card Merchant Rules and Regulations (the “**Rules Summary**”), as amended from time to time, which are incorporated into this Agreement by reference. Sub-Merchant agrees to fully comply with, all of the terms and obligations in the then current Rules Summary, as changed or updated by Acquirer from time to time. Without limiting the foregoing, Sub-Merchant agrees that it will fully comply, with any and all confidentiality and security requirements of the USA Patriot Act (or similar law, rule or regulation), the Associations, including but not limited to Payment Card Industry Data Security Standard (“**PCI**”), the Visa Cardholder Information Security Program, the MasterCard Site Data Protection Program, and any other program or requirement that may be published and/or mandated by the Associations. Should any Operation Rules(s) not be publicly available or otherwise made available to Sub-Merchant, such unavailability shall not alter or limit Sub-Merchant’s obligation to comply with the Operating Rules. Notwithstanding Integrity Business Partners’ assistance in understanding the Operating Rules, Sub-Merchant expressly acknowledges and agrees that it is assuming the risk of Sub-Merchant’s compliance with all provisions of the Operating Rules, regardless of whether Sub-Merchant have possession of those provisions. Both MasterCard and VISA make excerpts of their respective Operating Rules available

on their internet sites. Sub-Merchant agrees that it will not take any action that could interfere with or prevent the exercise of this right by the Associations. In the event of any inconsistency between any provisions hereof and the Operating Rules, the Operating Rules will govern to the fullest extent possible under Applicable Laws.

- B. On an ongoing basis, you must promptly provide Integrity Business Partners with the current address of each location, all “doing business as” (DBA) names used by you, and a complete description of goods sold and services provided by you. You agree to provide Integrity Business Partners with 30 days’ prior written notice of your intent to change your business form or entity in any manner (e.g., a change from a limited liability company to a corporation), and/or of your intent to sell all of its stock or assets to another entity. You may not use the Services for any service other than as set forth in this Agreement.
- C. Identify Sub-Merchant. To the extent Sub-Merchant interacts with Cardholder, Sub-Merchant will prominently and unequivocally inform the Cardholder of the identity of the Sub-Merchant at all points of interaction so that the Cardholder readily can distinguish the Sub-Merchant from any other party, such as a supplier of products or services to Sub-Merchant, including Integrity Business Partners. Further, Sub-Merchant must ensure that the Cardholder understands who is responsible for the card transaction, including delivery of the products (whether physical or digital) or provision of the services that are the subject of the card transaction, and for customer service and dispute resolution, all in accordance with the terms applicable to the card transaction.
- D. Third Parties. Integrity Business Partners and Sub-Merchant may use one or more third party service providers (“TPSP’s”) in connection with the Services and/or the processing of some or all of its Card transactions. In no event shall Sub-Merchant use a TPSP unless such TPSP is compliant with PCI and/or the Payment Application Data Security Standard (“PA-DSS”), depending on the type of TPSP, as required by the Operating Rules. Sub-Merchant acknowledges and agrees that Sub-Merchant shall cause its TPSP to complete any steps or certifications required by any Association (e.g., registrations, PA-DSS, PCI, audits, etc). Sub-Merchant shall cause its TPSP to cooperate with Acquirer in completing any such steps or certifications (if applicable), and in performing any necessary due diligence on such TPSP. Sub-Merchant shall be solely responsible for any and all applicable fees, costs, expenses and liabilities associated with such steps, registrations and certifications. Sub-Merchant shall bear all risk and responsibility for conducting Sub-Merchant’s own due diligence regarding the fitness of any TPSP(s) for a particular purpose and for determining the extent of such TPSP’s compliance with the Operating Rules and applicable law. Sub-Merchant expressly agrees that neither Acquirer, Bank, or Integrity Business Partners shall in any event be liable to Sub-Merchant or any third party for any actions or inactions of any TPSP used by Sub-Merchant, even if Acquirer, Bank or Integrity Business Partners introduced or recommended such TPSP.
- E. Operating Account. Sub-Merchant shall establish an Operating Account at a financial institution of Sub-Merchant’s choice prior to processing any payments. The Operating Account shall be utilized for deposits from Payment Card or eCheck Processing Transactions. Sub-Merchant shall advise Integrity Business Partners of the name and address of the financial institution, routing number and account number of the account. Sub-Merchant authorizes Integrity Business Partners to debit fees and charges from the Operating Account either daily, monthly or at other times deemed appropriate by Integrity Business Partners through the ACH Network or by a manual debit of the account.
- F. Maintenance of the Operating Account. Sub-Merchant shall maintain the Operating Account throughout the term of this Agreement, to include any extensions or renewals thereof. Sub-Merchant shall, at all times, maintain sufficient funds in the Operating Account to ensure that all credit Entries originated and returns of debit Entries originated, as well as any and all fees, charges, and costs provided for under the Agreement are paid, including any reserve requirements set by Integrity Business Partners in accordance with this Agreement. Sub-Merchant agrees to deposit funds into the Operating Account as required in order to ensure that sufficient funds are maintained in the Operating Account at all times.
- G. Sub-Merchant Authorization and Waiver. Sub-Merchant authorizes Integrity Business Partners to make deposits to or withdrawals from the Operating Account. Integrity Business Partners will have no signatory or ownership rights in the Operating Account and will have no right to negotiate or assert ownership rights in deposited funds. Sub-Merchant shall be responsible for all Bank charges and Sub-Merchant shall designate employees authorized to make changes to the Operating Account. Any changes proposed to the Operating Account shall be submitted in writing to Integrity Business Partners and must be approved in writing by Integrity Business Partners. Should Sub-Merchant modify these terms without following the aforementioned process, Sub-Merchant indemnifies and holds Integrity Business Partners harmless for any administration and ACH activity initiated by Integrity Business Partners or its employees. If required by Integrity Business Partners Systems or any other financial institution where the Operating Account is maintained, Sub-Merchant agrees to sign any other additional documents to authorize the deposits and withdrawals, including without limitation, ACH Transactions. Sub-Merchant waives any claims for loss or damage arising out of any charges or debits to the Operating Account against any other designated financial institution where the account is maintained.
- H. Retention of Sales Information. Sub-Merchant shall store all sales/service drafts and Transaction records in a limited access area for at least one year after the date of sales. Sub-Merchant shall retain all original sales drafts or legible microfilm or electronic copies of all sales drafts and Transaction records for at least three years. Sub-Merchant is responsible for maintaining complete backup records of all information relating to its patient’s/customers’ orders, inquiries, purchases, sales and any other patient/customer information.
4. **SECURITY INTEREST; RESERVE; SETOFF RIGHTS.**
- A. Security Interest and Lien. Sub-Merchant hereby grants a security interest and lien upon the Operating Account or any substitute account now and in the future and all proceeds thereof to Integrity Business Partners to secure all fees, costs, and charges due in accordance with this Agreement, including all fees indicated in the Integrity Business Partners Application or any other agreement between you and Integrity Business Partners Systems including without limitation, Chargebacks, Return Entries, refunds and Association fees or fines (the “**Amounts Due**”). In the exercise of its rights with regard to the security interest and lien, Integrity Business Partners may only debit the Operating Account to the extent of the then existing amounts due and shall only do so if Integrity Business Partners becomes reasonably concerned about whether the Sub-Merchant will otherwise fulfill its financial obligations. Sub-Merchant shall provide such documentation as required by Integrity Business Partners in connection with the security interest and lien. The security interest and lien granted herein shall survive the termination of this Agreement until all amounts due are determined and paid in full. Sub-Merchant hereby authorizes Integrity Business Partners to prepare all documents or to take other actions reasonably necessary to perfect its security interest or lien in the Operating Account or any substitute account therefor.
- B. Establishment of Reserve Account. We may withhold funds by temporarily suspending or delaying payouts of proceeds to you and/or designate an amount of funds that you must maintain in your Operating Account or in a separate reserve account (“**Reserve**”) to secure the performance of your obligations under any agreement between you and Integrity Business Partners. We may require a Reserve for any reason related to your use of the Services. The Reserve will be in an amount as reasonably determined by us to cover potential losses to Integrity Business Partners. The Reserve may be raised, reduced or removed at any time by Integrity Business Partners Systems in its sole discretion, based on your payment history, a credit review, the amount of any arbitration award or court judgment against you in Integrity Business Partners’ favor, or otherwise as Integrity Business Partners or Acquirer may determine or require. If you do not have sufficient funds in your Reserve, we may fund the Reserve from any funding source associated with the Services, including any funds (a) deposited by you, (B) due to you, or (c) available in your Operating Account, or other payment instruction registered with us. You authorize us to make any withdrawals on debits from the Reserve or your Operating Account, without prior notice to you, to collect amounts that you owe us. You shall have no ability to make withdrawals from the Reserve Account without the written consent of Integrity Business Partners.

- C. **Funding of Reserve Account.** The Reserve Account may be funded by deduction from payments due Sub-Merchant, a charge against the Operating Account, or against any of Sub-Merchant's accounts at the financial institution at which Sub-Merchant maintains the Operating Account. Subject to Integrity Business Partners' approval and agreement, the reserve may be funded by an irrevocable letter of credit. The amount required to be maintained in the Reserve Account and the terms and conditions for maintaining the account shall be established by Integrity Business Partners in its discretion.
- D. **Additional Reserve.** Upon termination of this Agreement, Integrity Business Partners may require an additional reserve to cover possible indebtedness to Integrity Business Partners for Transactions initiated prior to termination. This Reserve Account will be maintained for a minimum of six (6) months from the termination date or until such time as Integrity Business Partners determines that the release of the funds to Sub-Merchant is prudent, in the best interest of Integrity Business Partners Systems commercially reasonable and Sub-Merchant's account with Integrity Business Partners is fully resolved. Upon expiration of this period, any balance remaining in the Reserve Account will be paid to Sub-Merchant. Integrity Business Partners will inform Sub-Merchant in writing of any charges debited to the Reserve Account during this period.
- E. **Set-Off Rights.** To the extent permitted by law, we may set off against the proceeds for any obligation you owe us under any agreement with Integrity Business Partners (e.g., Chargebacks or refunds). If you owe us an amount that exceeds your cumulative incoming proceeds, we may debit the Operating Account. Your failure to fully pay amounts that you owe us on demand will be a breach of these terms. You are liable for any of our costs associated with collection in addition to any amounts owed, including attorneys' fees and expenses, collection agency fees, and any applicable interest.
- F. **Auditing and Credit Investigation.** Sub-Merchant authorizes Integrity Business Partners Systems or its respective agents to investigate the background and personal credit history of any of the principals and employees associated with Sub-Merchant's business from time to time, and to obtain a business report on Merchant's business from Dunn & Bradstreet or any company providing a similar service. Integrity Business Partners may terminate this Agreement if the information received in any investigation is unsatisfactory in Integrity Business Partners' sole discretion. Integrity Business Partners may also audit from time to time Sub-Merchant's compliance with the terms of this Agreement. Sub-Merchant shall provide all information requested by Integrity Business Partners necessary to complete the audit. Upon Integrity Business Partners' request, Sub-Merchant shall provide all of its books and records, including financial statements for Sub-Merchant and personal financial statements for all guarantors. Sub-Merchant authorizes Integrity Business Partners to make on-site visits to any and all of the Sub-Merchant's locations with regard to all information necessary or pertinent to the Services.

5. **SUB-MERCHANT REPRESENTATIONS AND WARRANTIES.**

- A. Without limiting any other warranties hereunder, you represent, warrant and covenant with us and with the submission of each card transaction, the following representations, warranties and covenants:
- i. Each transaction is genuine and arises from a bona fide transaction, permissible under the Operating Rules and Applicable Law, by the Cardholder directly with you;
 - ii. Each transaction represents a valid obligation for the amount shown on the sales draft and does not involve the use of a card for any other purpose;
 - iii. Each transaction represents an obligation of the related Cardholder for the amount of the transaction;
 - iv. The amount charged for each Card Transaction is not subject to any dispute, set off or counterclaim;
 - v. Each transaction amount is only for respective merchandise or services (including taxes, but without any surcharge) sold, leased, or rented to a Cardholder by you and, except for any delayed delivery or advance deposit transactions expressly authorized by this Agreement, that merchandise or service was actually delivered to or performed for the Cardholder entering into that transaction simultaneously upon your accepting and submitting that transaction for processing;
 - vi. With respect to each transaction, you have no knowledge or notice of any fact, circumstance, or defense which would indicate that such transaction is fraudulent or not authorized by the related Cardholder or which would otherwise impair the validity or collectability of that Cardholder's obligation arising from that transaction or relieve that Cardholder from liability with respect thereto;
 - vii. Each transaction is made in accordance with this Agreement and Applicable Law; and
 - viii. Each sales draft is free of any alteration not authorized by the related Cardholder.

Further, you are authorized to carry on your own business as it is conducted and to enter into this Agreement. You further represent that no other authorizations, consents, or approvals are required in connection with the validity and enforceability of this Agreement or your execution, delivery, and performance of this Agreement. You have not changed the nature of your business, card acceptance practices, delivery methods, return policies, or types of products or services sold requiring a different merchant category code under Operating Rules, in a way not previously disclosed to us. You will use the Services only for your own proper business purposes and will not resell, directly or indirectly, any part of the Services to any person. You, or your third-party service providers, have not filed, or intend to file, a bankruptcy petition not previously disclosed to us. All information and data you provide to us, or for which you engage a third party to provide to us, is complete, truthful, accurate, valid, your lawful property, and you have the right to communicate such information. You own or otherwise have the full right and authority to use and disseminate all information, data, graphics, text, video, music, or other intellectual property which forms a part of your website, or which you use in your advertising. You and your third-party service providers are legally authorized to sell any product or services offered and have obtained all necessary regulatory approvals and certificates (hereafter, "Certificates"). You will provide us any copies of Certificates immediately upon receipt of our request.

6. **TERM AND TERMINATION.**

- A. **Term.** This Agreement shall become effective on the Effective Date, and, unless sooner terminated in accordance with this Agreement, shall remain in effect for a term of three (3) years (the "Initial Term"). At the end of the Initial Term, this Agreement shall renew automatically for successive terms of one year, unless either Party provides written notice of termination 90 days prior to the then-current expiration date. All existing obligations, warranties, indemnities, and agreements with respect to Transactions entered into before such termination shall remain in full force and effect and Sub-Merchant shall remain liable for all obligations to any Payor, Integrity Business Partners incurred prior to the termination of this Agreement.
- B. **Termination of Services.** Integrity Business Partners and/or the Associations may terminate your use of the Services and/or this Agreement at any time for any reason. Any termination of these terms does not relieve you of obligations to pay fees or costs accrued prior to termination, Chargebacks, and any other amounts owed to us as provided in this Agreement, including the General Terms, or any other agreement between you and Integrity Business Partners. Any funds that we are holding in custody for you at the time of closure, less any applicable fees, will be paid out according to your payout schedule, subject to other conditions in this Agreement. If an investigation is pending at the time you close your Integrity Business Partners account, we may hold your funds as described herein. If you are later determined to be entitled to some of the funds, we will release those holds for you.
- C. **Suspension of Services.** Integrity Business Partners may, in its sole discretion, suspend the Services at any time in its reasonable discretion upon notice to you. Integrity Business Partners may selectively terminate one or more of Sub-Merchant's approved locations or certain Services without terminating this Agreement.

Sub-Merchant's obligations with respect to any Transaction shall be deemed incurred and existing on the posted transaction date of the Transaction.

- D. **Deconversion Fees.** If this Agreement is terminated and Sub-Merchant requests assistance from Integrity Business Partners with moving to a new processor, Sub-Merchant agrees to pay Integrity Business Partners for its then-fees associated with such deconversion services as provided by Integrity Business Partners; provided, however, in no event shall Integrity Business Partners be obligated to provide deconversion services to Sub-Merchant.
- E. If, prior to the date on which the then-current term of this Agreement is scheduled to expire, either this Agreement is terminated by Integrity Business Partners as specifically permitted by this Agreement, or Sub-Merchant for any reason discontinues receiving the Services from Integrity Business Partners (except as may be specifically permitted by this Agreement), Sub-Merchant shall be liable to Integrity Business Partners for liquidated damages in an amount equal to the average monthly revenue payable to Integrity Business Partners as a result of this Agreement or any other agreement between you and Integrity Business Partners for the three calendar months in which such revenue was the highest during the preceding 12 calendar months, or such shorter period if this Agreement has not been in effect for 12 months, multiplied by the number of months remaining during the then-current term of this Agreement. Sub-Merchant recognizes and agrees that the liquidated damages are fair and reasonable because it is not possible to establish the actual increase in volume and activity by Sub-Merchant during the term of this Agreement. Notwithstanding anything to the contrary, Sub-Merchant shall also reimburse Integrity Business Partners for any damage, loss or expense incurred by Integrity Business Partners as a result of a breach by Sub-Merchant, including any damages set forth in any addendum and/or schedule and/or exhibit hereto and including all past due, unpaid and/or future invoices for services rendered by Integrity Business Partners in connection with this Agreement. All such amounts shall be due and payable by Sub-Merchant upon demand.
7. **FEES.** Sub-Merchant agrees to pay all fees, including, but not limited to processing fees, monthly service fees and set-up fees as specified on the Integrity Business Partners Application, Pricing Schedule attached hereto, and in accordance with this Agreement and any other agreement between you and Integrity Business Partners. Sub-Merchant also agrees to pay Integrity Business Partners Systems as applicable, the amount of any fees, charges, or penalties assessed against Integrity Business Partners Systems as applicable, by any Association, Issuer, Acquirer, Bank, NACHA, or any other third party.
- A. **Third Party Assessments.** Notwithstanding any other provision of this Agreement, Sub-Merchant shall be responsible for all amounts imposed or assessed to Sub-Merchant, Integrity Business Partners Systems Acquirer, or Bank in connection with this Agreement by third parties such as, but not limited to, Associations and third-party service providers (including telecommunication companies) to the extent that such amounts are not the direct result of the gross negligence or willful misconduct of Acquirer, Bank or Integrity Business Partners Systems as applicable. Such amounts include, but are not limited to, fees, fines, assessments, penalties, loss allocations etc. Any changes or increases in such amounts shall automatically become effective upon notice to Sub-Merchant. In the event that Acquirer assesses Integrity Business Partners with the cost of funds associated with a circumstance where Acquirer, for whatever reason, advances settlement or any amounts and/or delays the assessment of any fees, Sub-Merchant shall be fully responsible for any portion of such assessment that is attributable to the Services for Sub-Merchant.
- B. **Late Fees.** If Sub-Merchant does not pay sums due to Integrity Business Partners within 30 days of the invoice date, Integrity Business Partners may charge and Merchant agrees to pay a late fee of 1.5% per month on the outstanding balance, or the highest amount allowed by law, whichever is less.
- C. **Collection Charges.** Should Integrity Business Partners take any action against Sub-Merchant to collect sums due hereunder, Sub-Merchant agrees to pay all costs associated with such collection efforts, including but not limited to reasonable attorney's fees.
- D. **Taxes, Information Filings and Backup Withholding.** Sub-Merchant agrees to pay all federal, state, and local sales, use, income, property and excise taxes, which may be assessed in connection with the Services and related products provided under this Agreement. Sub-Merchant agrees and understands that Integrity Business Partners or its designee will provide information reporting to the Internal Revenue Services and applicable state treasurers for all reportable payment transactions of Sub-Merchant as defined in IRC § 6050W. If necessary, Integrity Business Partners or its designee will conduct backup withholding on the revenue generated by the reportable payment transactions of the Sub-Merchant.

8. **INDEMNIFICATION AND LIMITATIONS OF LIABILITY.**

- A. **Indemnification.** Sub-Merchant shall indemnify, defend, and hold harmless Integrity Business Partners Systems and its directors, officers, employees, affiliates and agents from and against all proceedings, claims, losses, damages, demands, liabilities and expenses whatsoever, including all reasonable legal and accounting fees and expenses and all reasonable collection costs, incurred by Integrity Business Partners Systems its directors, officers, employees, affiliates and agents resulting from or arising out of the Services in this Agreement, Sub-Merchant's payment activities, the business of Sub-Merchant or its customers, any sales transaction acquired by Acquirer or Member Bank, any noncompliance with the Operating Rules (or any rules or regulations promulgated by or in conjunction with the Associations) by Sub-merchant or its agents (including any TPSP), any issue, problems, or disputes between Acquirer and any Sub-merchant, or Bank and Sub-Merchant, any Data Incident, any infiltration, hack, breach, or violation of the processing system of Sub-merchants, TPSP, or any other third party processor or system, or by reason of any breach or nonperformance of any provision of this Agreement, on the part of Sub-Merchant, or its employees, agents, TPSPs, or customers. The indemnification obligations hereunder shall survive the termination of the Agreement.

"**Data Incident**" is defined as any alleged or actual compromise, unauthorized access, disclosure, theft, or unauthorized use of a Card or Cardholder information, regardless of cause, including without limitation, a breach of or intrusion into any system, or failure, malfunction, inadequacy, or error affecting any server, wherever located, or hardware or software of any system, through which Card information resides, passes through, and/or could have been compromised.

- B. **Limitation of Liability.** Neither Party shall be liable for lost profits (except as expressly provided otherwise herein), lost business or any incidental, special, consequential or punitive damages (whether arising out of circumstances known or foreseeable by the other Party) suffered by such Party, their customers or any third party in connection with the Services. However, nothing in the foregoing sentence is in any way intended, and shall not be construed, to limit (i) Sub-Merchant's obligation to pay any fees, assessments or penalties due under this Agreement, including but not limited to those imposed by telecommunications services providers, VISA, MasterCard and/or other Association(s); or (ii) any damages due from Sub-Merchant related to the failure by Sub-Merchant to exclusively receive the Services from Integrity Business Partners; or (iii) Sub-Merchant's obligation to indemnify Integrity Business Partners pursuant to this Agreement. In no event will Integrity Business Partners be liable for any damages or losses (i) that are wholly or partially caused by Sub-Merchant, or its employees, agents, or TPSPs. Further, Integrity Business Partners shall not be liable to Sub-Merchant or Sub-Merchant's patients/customers or any other person for any of the following:
- i. Any loss caused by a Transaction downgrade resulting from defective or faulty software or equipment; or
 - ii. Any loss or liability resulting from the product or service of a third party.

- C. **Limitation of Damages.** Integrity Business Partners SHALL NOT BE LIABLE FOR ANY PUNITIVE, INDIRECT, SPECIAL, OR CONSEQUENTIAL LOSSES OR DAMAGES TO SUB-MERCHANT OR TO ANY THIRD PARTY IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT OR ANY OF THE SERVICES TO BE PERFORMED BY Integrity Business Partners PURSUANT TO THIS AGREEMENT. IN NO CASE SHALL SUB-MERCHANT BE ENTITLED TO RECOVER DAMAGES FROM Integrity Business Partners BANK THAT EXCEED THE FEES RETAINED BY Integrity Business Partners

FROM THIS AGREEMENT DURING THE ONE (1) MONTH PERIOD IMMEDIATELY PRIOR TO THE EVENT GIVING RISE TO THE CLAIM FOR DAMAGES.

Merchant must not transmit a Payment Card Processing Transaction that Merchant knows or should have known to be fraudulent or not authorized by the Cardholder. Merchant is responsible for its employees' actions. Merchant may transmit a Payment Card Processing Transaction which effects a prepayment of services or full prepayment of custom-ordered merchandise, manufactured to a Cardholder's specifications, if Merchant advises Cardholder of the immediate billing at the time of the Payment Card Processing Transaction and within time limits established by the Associations.

For telephone or mail order sales, Sub-Merchant shall transmit a ticket/invoice number and shall perform Address Verification, CVV, and CID and only accept as approved those Payment Card Processing Transactions receiving at least a partial match or system unavailable response.

Sub-Merchant must submit its request at least two (2) banking days prior to the date on which Sub-Merchant wishes to initiate the Entry that otherwise would be an Overlimit Entry. 13. REVERSALS. Sub-Merchant may initiate a reversing Entry or File of Entries for erroneous or duplicate transactions. In doing so, Sub-Merchant warrants that it has initiated the Entries or Files within five (5) banking days of the original Entry or Entries and within 24 hours of discovery of the error. Sub-Merchant also warrants that the account holder of a reversing Entry will be notified of the reversal, and the reason for the reversal, no later than the settlement day of the reversal. Notwithstanding the foregoing, reversals, whether for Entry or File of Entries for erroneous or duplicate transactions or otherwise, are not available and may not be initiated in connection with payments received through the Integrity Business Partners Bank Bill Payments solution.

Integrity Business Partners shall issue a periodic statement to Merchant that will reflect Entries credited and debited to the Operating Account. Merchant agrees to notify Integrity Business Partners within a reasonable time not to exceed thirty (30) calendar days (except where applicable law provides a sixty (60) calendar day review period) after Merchant receives a periodic statement of any discrepancy between Merchant’s records and the information in the statement, after which time the statement will be considered accurate. Sub-Merchant agrees to cooperate with Integrity Business Partners and Financial Institution in performing loss recovery efforts in the event that any of the Parties may be liable to the others for damages.

15. COMPLIANCE. Sub-Merchant agrees to comply with and be bound by the current Rules in existence as they may be amended from time to time. The duties of Merchant set forth in this Appendix in no way limits the requirements of complying with the Rules. Any fines or liabilities imposed against Integrity Business Partners or Financial Institution for a violation of the Rules caused by an action and/or inaction of Merchant shall be assessed against Merchant. Costs associated with Rules publications and/or association membership will be the responsibility of Merchant.

MERCHANT SERVICES AGREEMENT FOR SUB-MERCHANTS

This MERCHANT SERVICES AGREEMENT FOR SUB-MERCHANTS (“**Sub-Merchant Agreement**”) is made among Vantiv, LLC, and its designated Member Bank (collectively “Acquirer”) and (“Sub-merchant”) in connection with the Agreement between Sub-merchant and Integrity Business Partners Network, Inc. (“Provider”). Acquirer will provide Sub-merchant with certain payment processing services (“Services”) in accordance with the terms of this Sub-Merchant Agreement. In consideration of Sub-merchant’s receipt of credit or debit card funded payments, and participation in programs affiliated with MasterCard International Inc. (“MasterCard”), VISA U.S.A. Inc. (“VISA”), Discover (“Discover”), and certain similar entities (collectively, “Associations”), Sub-merchant is required to comply with the Operating Regulations (defined below) as they pertain to applicable credit and debit card payments. In addition, if Sub-merchant meets certain requirements under the Operating Regulations or an Association or the Operating Regulations otherwise require, Sub-merchant may be required to enter into a direct relationship with an entity that is a member of the Associations. By executing this Sub-Merchant Agreement, Sub-merchant has fulfilled such requirement. However, Acquirer understands that Sub-merchant may have contracted with Provider to obtain certain processing services and that Provider may have agreed to be responsible to Sub-merchant for all or part of Sub-merchant’s obligations contained herein.

NOW, THEREFORE, in consideration of the foregoing recitals and of the mutual promises contained herein, the parties agree as follows:

- 1. Certain Sub-Merchant Responsibilities.** Sub-merchant agrees to comply, and to cause third parties acting as Sub-merchant’s agent (“Agents”) to comply, with the Association’s and other payment network’s by-laws, operating regulations and/or all other rules, policies and procedures, including but not limited to the Payment Card Industry Data Security Standard, the VISA Cardholder Information Security Program, the MasterCard Site Data Protection Program, and any other program or requirement that may be published and/or mandated by the Associations or payment networks (collectively “Operating Regulations”). Sub-merchant may review the VISA, MasterCard, and Discover websites for a copy of the Visa, MasterCard and Discover regulations. The websites are: <http://usa.visa.com/merchants/> and <http://www.mastercard.com/us/merchant/> and <http://www.discovernetwork.com/merchants/>. Sub-merchant also agrees to comply with all applicable state, federal, and local laws, rules, and regulations (“Laws”). Without limiting the foregoing, Sub-merchant agrees that it will fully comply with any and all anti-money laundering laws and regulations, including but not limited to the Bank Secrecy Act, the US Treasury’s Office of Foreign Assets Control (OFAC) and the Federal Trade Commission. For purposes of this section, Agents include, but are not limited to, Sub-merchant’s software providers and/or equipment providers.

If appropriately indicated in Sub-merchant’s Agreement with Provider, Sub-merchant may be a limited-acceptance merchant, which means that Sub-merchant has elected to accept only certain Visa and MasterCard card types (i.e., consumer credit, consumer debit, and commercial cards) and must display appropriate signage to indicate the same. Acquirer has no obligation other than those expressly provided under the Operating Regulations and applicable law as they may relate to limited acceptance. Sub-merchant, and not Acquirer, will be solely responsible for the implementation of its decision for limited acceptance, including but not limited to policing the card type(s) accepted at the point of sale.

Sub-merchant shall only complete sales transactions produced as the direct result of bona fide sales made by Sub-merchant to cardholders, and is expressly prohibited from presenting sales transactions which are produced as a result of sales made by any person or entity other than Sub-merchant, or for any purposes related to any illegal or prohibited activity, including but not limited to money-laundering or financing of terrorist activities.

Sub-merchant may set a minimum transaction amount to accept a card that provides access to a credit account, under the following conditions: i) the minimum transaction amount does not differentiate between card issuers; ii) the minimum transaction amount does not differentiate between MasterCard, Visa, or any other acceptance brand; and iii) the minimum transaction amount does not exceed ten dollars (or any higher amount established by the Federal Reserve).
